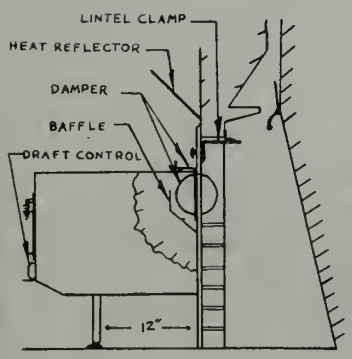
IT'S NOT TOO LATE

Convert your fireplace to an efficient home heater...with Better 'n Ben's

...BETTER 'N BEN'S THE FIREPLACE STOVE



FIRE BOX: 18" HIGH; 18" WIDE; 24" DEEP
DOOR OPENING: 9" x 13"
WEIGHT: 143 POUNDS
BACK PANEL: STANDARD-
34½" high x 42" wide

Note: This panel easily adaptable to most fireplaces.
Other sizes available on request.

Better 'n Ben's is the most exciting and innovative breakthrough in woodburning stoves since the Franklin.

Uniquely, but simply designed, Better 'n Ben's is placed directly in front of the fireplace opening. The combined stove and fireplace cover panel is securely and safely fastened in minutes so the stove utilizes the existing fireplace flue.

Now, instead of the heat going up the chimney, it is recovered and will provide warmth for large rooms and in many cases, entire homes. It will burn seasoned wood throughout the night.

Homeowner reports on this new stove cite up to 60% savings in fuel oil costs and the kilowatt consumption in electrically heated homes cut more than half.

Better 'n Ben's is attractive in the home and made of sturdy, long-life, heavy, black iron that radiates heat well. It has a broad top to provide a large cooking surface.

Fully guaranteed.

We have a kit available to convert Better 'n Ben's to a free-standing stove for use anywhere.

Also available: See-through Screen Door for viewing fire.

Christine came in first in the state in the 4-6 grade individual essay category. She had also entered two light bulb-shaped pillows in the textile category. Wednesday, Christine, her parents and teachers Mike Cambra and Dale Bradshaw attended the ceremony. Christine is a sixth grade student at the Rochester Memorial School. The context of her essay may well be a concern we should heed, "Adults of today should conserve fuel for the children and adults of tomorrow".

That's Entertainment!

FILM AT LIBRARY REFRESHING

A note to those central Mattapoisett folk who didn't bother to get off their 'duffs' and make the short but invigorating walk to the Public Library last Wednesday night. You really missed something. Library staff was showing "Bringing Up Baby", the story of a Dagwoodlike paleontologist, Cary Grant, and a beautiful, somewhat lightheaded society charmer, Katie Hepburn, becoming involved with a domesticated and uncommonly friendly leopard named Baby. The plot wasn't so great but the opportunity to enjoy a bit of good wholesome humor was. There were no great messages about the state of our society to unravel nor burning issues of social reform to resolve, just good natured comedy by two artists who still retain (40 years later) their charm, beauty and youthfulness. "Gunga Din", "King Kong" and "Shall We Dance" will have to go some to match "Bringing Up Baby" but the use of an entertainment medium to truly entertain was

day, Saturday and Sunday, February 11, 12 and 13 at 8:00 P.M. in the SMU Auditorium.

Drawn from the plays and musicals of the revolutionary German playwright, Berthold Brecht, the production revolves around Brecht's antipathy toward militarism and his personal experiences in Nazi Germany. It is an example of his famous theory of epic theatre, in which he includes stark staging, poetry, pantomime, dramatic readings, and songs composed by Kurt Weill.

The cast includes Bill Begley, Jatheryn Cabral, Stephanie Gibson, Sally Jones, Joanna McQuillan, Curt Pollit, Michael Powers, and Barry Smith.

Ticket information may be obtained by calling the SMU Theatre Company office at 997-9321, extension 765.

GALLERY TALK AT SMU

Dana Chandler (Akin Duro), artist in residence at Northeastern University, will give a gallery talk on Thursday, February 10th, at 7:30 P.M. in the Southeastern Massachusetts University Gallery located in the SMU library. Dana Chandler will discuss his own work and the work of other "Black Artists in America". According to Elma Lewis, Director of the National Center of Afro-American art, "Dana Chandler is one of the most prolific of the young black artists. He is serious and dedicated. His concern for the black community is large. I have watched him develop as a

man and as an artist since his early childhood, and I am proud to have been part of this growth".

Dana Chandler, born in Lynn, Massachusetts, received degrees from Massachusetts College of Art and the University of Massachusetts, Amherst. He is a powerful painter who is concerned with the black experience in America.

This lecture is sponsored by the SMU Cultural Affairs Committee and it is free to the public.

"BUXOM JOAN" TO BE PRESENTED AT SMU

"Buxom Joan", the one-act musical farce in which a mother warns her darling daughter that if she does not marry soon, her fate will be to "gnaw at the bed sheets in vain", will be presented by the Southeastern Massachusetts University Music Department Opera Program February 27 at 3:00 P.M. in the SMU Auditorium.

Joan's gallant entourage of suitors include the "Tinker", "Tailor" and "Soldier". All combat each other hand-to-hand in hopes of winning the hand of Miss Joan in marriage. True love comes to the rescue -- the "Sailor", who sweeps Miss Joan off her tiny feet and saves the day and the lives of those poor love-sick creatures in the process of killing one another.

The short list of credits include: Misses Linda Fontes and Britta Herz; Misters Douglas Medeiros, Richard Sheridan, Antonio Libramento and Emile Fournier.

Opera scenes will be presented as an added feature on the same program.

Heart Fund Month

Once a year during the month of February the business folk in town along with our residents are asked to support the Heart Fund with your donations. Sixty per cent of all money collected stays right here in our area to work for us. The remaining funds are used on a state and national level to support greater research efforts.

We urge you to contribute when your neighbors ask for your support. If you have not needed the knowledge, equipment or facilities aided by the Heart Fund in the past, you may find yourself or your loved ones grateful for such help in the future.

Thank you for your cooperation.

CHECK TO TOBEY HOSPITAL

On Monday, January 31, Mrs. Arlyn A. Noonan, Executive Director of the Southeastern Massachusetts Chapter, March of Dimes, presented a check for $750. to the Tobey Hospital. The grant will be used for prenatal and postnatal education classes.

The present series of the Prenatal Education Program at Tobey Hospital began on January 18th. The Spring series will start on the evening of April 5th. Each series of five lectures is open without charge to anyone who may be expecting childbirth in the near future. Made possible by a grant from the March of Dimes, the program is meant to give to both prospective parents a greater insight into good prenatal care with the end result being a healthy, happy baby.

If your husband had a Heart Attack in bed tonight, would you know what to do?

It may go on for a little while before you notice. He may say it's indigestion. Or nerves. He may have a feeling of uncomfortable pressure, fullness, squeezing or pain in the center of his chest (that may spread to the shoulders, neck or arms) and last for two minutes or more.

Dizziness, fainting, sweating, nausea or shortness of breath may also occur, but these signals are not always present. Sharp, stabbing twinges of pain are usually *not* signals of a heart attack.

Call your emergency medical service immediately. Or, if you can get him to a hospital with emergency cardiac care faster in any other way, do so.

He may refuse to accept the possibility that he is having a heart attack. Many heart attack victims do just that. Don't let him make you wait. Because seconds count. Get help and get it fast.

Remember, if it isn't a heart attack, it doesn't matter. If it is, nothing matters more.

The American Heart Association
WE'RE FIGHTING FOR YOUR LIFE

for the Whites were Chris Lomba with 10 points and Steve Lombard with 6 points.

Monday, the 31st, it was the Blacks vs the Reds in the first game of the evening. The game was off to a slow start but at the end of the first quarter the Reds scored with a foul shot by Chris Carvalho, immediately followed by 3 baskets by Chris Riley of the Blacks and 1 by Steve McGonigle of the Reds for a Black lead of 6-3 at the end of the first quarter. Some exciting play gave the Blacks a 12 to 7 lead at the half time. Drew Frazee started off the second half with a nice swish for the Blacks and Chris Carvalho with one for the Reds. The fourth quarter started with a basket by the Reds' Gary LeBlanc and ended with a final score of Blacks 18 and Reds 15.

The second game of the evening Purple vs Blue got under way with the first basket by Mike Pinard followed by a frustrating rebound by Phil Barber and his foul shot. Gerald Lanagan scored the first basket for the Blues to start an exciting game. Another rebound by Phil Barber and another good foul shot to give the Purples a good lead. Jahn Pothier of the Purples got the first basket of the second quarter followed by Mike Vulgares of the Blues.

A nice swish by Dana Didricksen of the Purples. Two baskets and a foul shot by Gerald Lanagan helped out the Blues but the Purples still had a 20 to 11 lead at the end of the first half. In the first minute of the second half Phil Barber got things rolling with a foul shot and a nice layup, but things looked discouraging for the Blues who were trailing 37 to 15 at the end of the third quarter. Three baskets by Steve Baggarly of the Blues picked things up a little but not enough and the Purples overpowered them with a final score of 40-23.

Friday, the 4th, in a close game all the way saw the Blues beat the Golds 18 to 15. Highest scorer was Gerald Lanagan with 16 of the Blues' points.

In the second game of the evening the Greens who kept an edge during the whole game, beat the Reds 21-14. High scorers for the Greens were Mike Lynch with 10 points and Terry Bassett with 8. Gary LeBlanc with 10 points was the high scorer for the Reds.

In the final game of the evening Tim Quinlan scored the first basket and Scott Purtell the next 2 to end the first quarter with Orange 6 and White 0. The second quarter be-

gan with a nice layup by Chris Lomba of the Whites, then 2 baskets by Scott Purtell of the Orange and 1 by the Whites' "Skip" Harris for a 10 to 4 score at the end of the first half. Chris Lomba started off both the third and fourth quarters with a basket for the Whites. The Orange team with only a 1 point lead called time out, no basket action was seen upon their return and the final score was 13 to 12. This is the third game that the Whites have lost by only 1 point. For the Orange team, looking back a season or two it is their 36th consecutive win.

Equipping a Fireplace

USE FIREPLACE FOR FUEL-SAVING COMFORT

Next time you turn down the thermostat, use your fireplace instead of an extra sweater and earmuffs to keep you comfy. A crackling fire is a lot more romantic and fun. You can also take comfort from the fact that wood is our one renewable source of heating fuel.

A woodburning fireplace can help conserve hard-to-get, expensive fuels says the Fireplace Institute, if you use it properly and have it equipped to sustain a good, long-lasting blaze.

The Institute, an association of fireplace manufacturers and distributors, offers these tips for making your fireplace more useful and enjoyable.

Select dry or "seasoned" wood. Wood with a high moisture content is one of the reasons for a smokey fire or a fire that is difficult to sustain. If you collect scrap wood, fallen branches or twigs for kindling or firewood, let it dry out for best results. Besides being difficult to burn, green wood produces wood tar and other extracts which may condense in the flue and eventually cause a chimney fire.

Use a mixture of hard and soft woods. Soft woods ignite more quickly and make a hotter fire but they also are consumed more quickly. Combine soft and hardwood logs for a longer lasting fire.

Never use combustible fluids to light a fire.

Start your fire with kindling, adding more if logs are slow to ignite. A little practice will give you the knack of starting a fire that burns steadily in your fireplace.

Use a sturdy grate that fits the fire chamber (the space in which the fire burns). The grate holds the wood off the floor of the fire chamber, allowing for air circulation.

Grates are available in a variety of sizes and styles. A fireplace equipment dealer can help you select one that's the right size and will give the most satisfying service.

Use sturdy non-combustible tools to tend your fire. To keep your fire burning brightly, you'll need to shift the logs or add more wood. Use a poker and tongs to avoid burns and singed clothing.

Equip your fireplace with a screen. Fireplace shops offer screens in a variety of designs from colonial to sleek modern. They dress up a fireplace but, more important, provide safety from popping sparks or hot embers.

Keep the hearth clear of combustible material. The Fireplace Institute's Book of Recommended Installation Practices calls for a brick, slate or stone hearth of at least 16 inches in front and 8 inches beyond each

MATTAPOISETT GRANGE

There is a whisper that something big may take place by Mattapoisett Grange some time in May. We will keep you informed as time goes on if the whisper gets louder.

COOKBOOKS

National Grange Cookboods seem to still be in demand. If anyone would like to have one, please let me know by Sunday, the 13th, as there may be some left over. I can't promise, but the chairman has said she will notify us when the stock is depleted.

Old Colony Applications

All 8th grade students interested in attending Old Colony Regional Vocational-Technical High School in Rochester next September are urged to complete their applications as soon as possible. Applications are available in the co-operating school guidance departments or by calling the Old Colony Guidance Office at 763-8051. The closing date for all applications is March 1, 1977. Residents of Acushnet, Carver, Mattapoisett, and Rochester are eligible to apply for admission. No tuition is charged to residents of the Old Colony Regional District and transportation to and from Old Colony is provided.

See last week's Presto, Page 31, for listing of program offerings.

Questions and/or further information should be directed to the Guidance Office at Old Colony.

1977 SEEDLING PROGRAM

The Plymouth Conservation District recently announced their sponsorship of the Annual Seedling Program for 1977, according to Howard Hayward, Chairman of the District Board of Supervisors.

There has been very good response to the program and it is suggested that interested landowners send a large stamped self-addressed envelope as quickly as possible to the Plymouth Conservation District, 153 Broadway, Raynham, MA. 02767 before the March 15th deadline for placing orders for pick-up April 22nd.
